

Federal Managers Association

Chapter 19, Pearl Harbor Area

WHY SHOULD YOU JOIN FMA?

The FEDERAL MANAGERS ASSOCIATION (FMA) is the oldest and largest, most influential professional management association representing the interests of the nearly 200,000 managers, supervisors and executives serving in today's Federal Government. Since **1913**, FMA has been a passionate advocate for excellence in Federal public service through effective management, as well as a forceful champion of its member's legislative agenda. FMA effectively brings your concerns on job, career, salary and benefits, retirement security and other issues to the attention of lawmakers and top agency decision makers. FMA's team of advocates, policy analysts and communications specialists leads this effort.

FMA, Chapter 19 was founded back in **1946**. From our most humble beginning within Pearl Harbor Naval Shipyard and the Department of the Navy, our membership has expanded and now includes commands and activities surrounding the Pearl Harbor basin. Nationally, FMA has over 150 Chapters in almost all Federal departments and agencies.

The objectives of the Federal managers Association are to:

1. Increase the efficiency of the managerial force
2. Promote the social, intellectual and material welfare of the membership.
3. Establish mutual understanding, respect and working relationship with responsible representatives of the community, city, state and the Federal government.
4. Promote, support and defend legislation that is clearly beneficial to the membership and to the nation.
5. Oppose vigorously legislation clearly detrimental to the welfare of the membership and the nation's security.
6. Endeavor to promote justice, maintain integrity and professionalism while assuring equality for all.

MEMBERSHIP ELIGIBILITY

All Federal employees responsible for or associated with the supervision and management of people, programs, and activities in the Federal government are eligible to join FMA. Included among the types of memberships available to federal managers and supervisors, associate memberships are offered for aspiring federal managers. FMA members who retire from Federal service are eligible for continued membership as well.

The membership of FMA spans the GS/GM ranks, the Federal Wage System, and the Senior Executive Service.

POLITICAL ADVOCACY

As a member of FMA, the most important benefit you receive is political advocacy. FMA represents your interests before Congress. Listed are some of the accomplishments and issues that FMA has worked on.

:

1. **Federal Budget** – FMA continues to ensure that the Federal budget is not balanced on the Federal employees back.
2. **Consultative Relationships** – FMA actively lobbies Congress and engages in consultative relationships with Executive Branch officials across the Government
3. **Civil Service Pay and Benefits** – FMA continues to address cost effective government restructuring, competitive civil service pay and benefits and maintaining the core values of the civil service.
4. **Contracting Out** – FMA has prompted legislation to closer scrutinize contractors and bring common sense to government practices of contracting out services.
