President's Holiday Message

Greetings members and friends of FMA Chapter 19!

I would like to take a moment to reflect on 2006, inform you of some recent changes at Chapter 19, and touch on our plans for 2007.

The year has been a challenging one for most of us as the shipyard has executed another record workload.

We have experienced many successes while at the same time learning from our setbacks.

There have been many changes in personnel and processes and we have worked hard to make the necessary transition as painless as possible.

The large numbers of SIP retirements has driven changes in our chapter executive board as well.

You will notice new faces that have "stepped up" and volunteered to serve.

2007 will bring further change as the shipyard migrates into new product lines and initiatives.

As always, we at chapter 19 will continue to represent your best interests locally and nationally.

Our legislative agenda for 2007 is in final review and we will share our goals and objectives with you in early January.

I want to thank each and every one of you for your hard work and support.

Wishing you have a joyous holiday season and a happy new year!

Wayne

**Mahalo for
all the support!**

Thanks to Owen Okumura and his staff the 2006 Christmas Fundraiser was very successful. The chapter sold in excess of 800 pounds of sausage and exceeded last year's sales by over \$400 dollars. On Wednesday, December 20th, Wayne Wilcox and Randy Sawyer were featured on the KHON 2 morning news program when they presented newscaster Tanya Joaquin a \$2200 dollar check for the LOKAHI GIVING PROJECT. A special mahalo to all for supporting this worthy project!

December 2006 starts our Membership Recruitment Drive and the Membership Committee has worked hard to develop the following drive plan and incentive.

The FMA, Chapter 19 Executive Board is pleased to announce the "kick-off" of a membership recruitment drive starting **1 December 2006** and ending on **31 May 2007**. Some really great incentives are being offered to members who recruit "new" members. The more new members you sign up, the better the incentive gets. One lucky super recruiter will win a trip to San Francisco and participate in FMA's Mid-Year Conference. What a way to see FMA in action first hand.

WHY do we need a recruitment drive? Well, in the past few years, a number of members have retired. Some have maintained their membership as a retired, but most have gone on to other things. As these supervisors or managers are replaced, many, if not all, have not been approached or asked to become a member. Currently, FMA Chapter 19's membership base has dwindled below 300. We need your help in bringing our numbers back up. As you all know, there is MORE strength in numbers. Recruitment tools (Recruitment flyer, application, payroll deduction and PHFCU auto bill payment forms) have been emailed to members or see any board member for the tool kit.

Here are the incentive award levels and the gifts being offered:
